## PROFESSIONAL, HONEST APPROACH WITH LOADS OF ENTHUSIASM

Lee's personality and enthusiasm is his business card, leaving his clients valued, feeling they have received exceptional service from a genuine and honest person, which is his trademark!

Lee has over 17 years' experience exclusively in commercial and industrial real estate, involved in dealings totaling more than \$400M. This includes sales and leasing, investment sales and land sales.

Reputation and service is key to Lee's success – known for his professional honest approach, great market and product knowledge, coupled with great enthusiasm and a sharp witty sense of humor.

Lee dedicated 15 years to servicing the Hills District as the Sales and Leasing Manager for property development company Capital Corporation (Steve Grant) who is responsible for delivering majority of the commercial and industrial developments within Norwest Business Park.

Feel free to call Lee for a casual, no pressure conversation, on how he can help you with regards to commercial or industrial property.

## ONE OF THE INDUSTRY'S LEADING PROPERTY MANAGERS

**Is your property manager adding value to your property, or just a simple rent collector?**

Anna Sarkis is a true property professional, regarded as one of the industry's leading property managers with over 11 years' experience specialising in commercial, industrial and retail real estate.

Anna is not your average property manager, she prides herself on adding value to THiNK Commercial's management clients with exceptional day-to-day client and customer service, management and negotiations skills with a medium to long term goal to add maximum value to your most valuable assets.

An expert in all fields of property management, Anna has a sharp eye for detail and is up to date on the latest market trends, keeping THiNK Commercial property owners up to date and knowledgeable about the market and its outlook to ensure excellent results at critical times such as market reviews, lease renegotiation's and option renewals.

Specialising in Sydney's North West & South West of Sydney, Anna also has a great range of area expertise. We welcome you to call to discuss the THiNK Commercial difference for your property management needs.
